**Subject:** Gulfco Monthly Status Report

Hi Gary –

Please find attached the Gulfco monthly status report for August. I am also sending you a hard copy via Fedex. Please let me know if you have any questions or comments.

I am sorry we have been unable to schedule a conference call to discuss the restrictive covenant revisions that EPA would like to see put in place at the Site – I appreciate your attempts to find a time that works for everyone. I have not heard back from anyone at EPA or TCEQ regarding the dates that I proposed earlier this week. As I have previously mentioned, the Gulfco group would like to move forward with this work, but we need a template of the format and information that EPA would like included before we can proceed. Given our difficulty in scheduling a call, perhaps you could e-mail a template or example of the restrictive covenant to me.

Thanks.
